

Nursery School News September 2016

It has been an incredibly busy summer. Teachers have been in school all summer working on their classrooms, making them beautiful and welcoming for the new school year. The teachers at Riverdale Temple Nursery School are truly amazing!! We are all so excited for the school year to begin and see our delightful children and families!

We have done a lot of "spiffing" up this summer. New bulletin boards are outside each classroom, the classrooms and playroom have been painted and all the classes have beautiful new carpets.

We have a new Nursery School Brochure, which will be at the front reception desk of the Temple. Please give them to friends or family who have Preschoolers.

Please check out our new website: www.riverdaletemplens.org

I think both the brochure and website truly reflect our amazing school!

This year, we will have a new Library on the second floor, so if you have early childhood books that you are not using, we would love donations.

We are delighted to have a new music teacher, Shara Yolcut. Shara will be singing Jewish songs and traditional children's songs with our children. We also have a new Movement Teacher, Kara Tatelbaum. We expect to see children singing and dancing in our halls!!

This year we are having a Before School Picnic at Seton Park on August 28th from 10-12. Families can bring a blanket and pack a picnic brunch. We will have muffins and fruit, bubbles for children and a project for them to work on. Kara Tatelbaum will be dancing from 10:15 to 10:45 with children and Shara Yolcut will be singing from 11:00 -11:45. We want the school year to start off with a special celebration and we want families to meet each other and begin to feel a part of this wonderful community!

On September 7th at 7:00 the Nursery School will have Parent Orientation. Parents will meet the teachers, meet other parents, learn what their child's curriculum will be and about all the wonderful events Riverdale Temple Nursery School is planning for the school year.

We know it is going to be a wonderful 2016-2017 School Year!
